## Rpg blazing souls accelate apk

OPERATING SYSTEM: Android 2.2 Blazing Spirit Accelate - Fans of Anime Joy. Pay attention to your new RPG for Android in anime style. The conspiracy is - the seven-year war has finally ended, and the world is beginning to recover quietly. On the throne goes champion - Zelos.All is fine, but during the war, many magical powers and actions were completely lost. In this way, memory is lost, and Zellus.But in his hand is a magical crystal that may change the course of civilization. .. Zellus hopes crystals will restore the lost balance, but with his appearance, and there are various destructive and perverse characters who try to win crystals and otherwise harm peace and tranquility. In general, everyone is confused and don't understand, you have to explain everything and establish order. You, as in the best RPGs, weapons, assistants, seek your power, but are united by a common cause, as well as skills and knowledge, development and battle path. Good luck in difficult situations and courage in battle! On the exciting new track tactical RPG in neverland world! Story: Decades have passed since the end of the seven-year war, and peace has finally begun to take place throughout the world of war. It is at this time of relative calm that Zellus, who is doing his life as an independent contractor, is placed in the possession of a crystal injected with incredible levels of magical energy called the elemental core after engaging in a freak accident. Almost as soon as he fell into his hands, Zellus was surrounded by a number of mysterious beings who intend to take elemental power for themselves. Just as Zellus is forced to fight for his life, Misteri slowly emerges in the light around his birth as well as his past. What secrets still wait to be discovered as he comes to the end of his fight for survival? - 3D battle scenes. - New full 100-hour Japanese tactical RPG for Android-enhanced battle system including special chain skills, breaking and over-killing - high levels of freedom: discover the world to progress from Through the story in any order you wish - use different measures to change battle field during exploration phases - Create over 200 different items and skills - Capture monsters and have them fight in your party - High resolution graphic assets - Support for touch & keyboard with key mapping - Xperia Play optimized - Compatible with MOGA controllers. IMPORTANT NOTICE PLEASE READ - You need a SDCARD with least 1.2GB of free space. - There is 1.2GB additional data download to complete the installation so WIFI is absolutely necessary and a good dose of patience too, installation may take from 15mn to 30mn to complete based on your internet network configuration and/or our servers congestion, all will serve but please be patient. - There are in-game questions and answers in case you have some problems during installation so please take the time to read it should have problems. - The game is set, by default, to use the highest resolution available, so please set on the option screen should your device be a bit full just to support the recruitment data. - High-end devices are highly recommended for the best gaming experience however the game is completely enjoyable from the Nexus1 or similar type of device.- Visit our website and forums at for more FAQ and information.©2012 Idea Factory, developed for Android, licensed and published by HYPERDEVBOX.
